

true hospitality

The family and friendly character of our apartments, aims to provide quality and pleasant staying and give the feeling to our guests that they are in his own home.

The limited number of apartments and the architectonic structure of Villa Flora provides sufficient independence to our guests so that they are not disturbed or they disturb other guests.

The apartments surrounded by a big, green garden which creating a comfortable natural beauty space, rich in oxygen, perfumes, and life, confirmed by the pleasure "conversations" of the birds, which frequent to the little oasis.

stay happy

Villa Flora apartments is a small family business which offers you with pleasure, warm hospitality in a family atmosphere. Since 1985, we didn't invent anything new, hospitality was and is always inside us.

The building complex composed by two apartment (2 rooms), and two Studio (single room), comfortable, spacious, independent and fully functional with many light windows, balcony and many free of charge facilities for a comfortable stay.

Two scenic beaches, are located at a distance 150 m. while at the wider area, there are many more, with crystal clear waters, many sights and the imposing mount Kerkis, ideal for hiking or climbing .
